

Online Advantage

The green alternative to hard copy annual reports.

PublicRegisterOnline.com

- Our targeted audience views real time information relayed directly from your IR website to investors.
- “Featured Company” on the main page of both web sites PublicRegisterOnline.com and PublicRegister.com with an annual report cover thumbnail.
- “Corporate Logo” placed above your company name for easy brand identification
- “Branded Profile Page” includes corporate description or announcement, corporate logo, and delayed stock quote.
- “Branded Profile Pages” are optimized for high search engine placement
- Over 150,000 registered users
- “Run of Sites” banner advertisement showcases participating companies every 30 seconds
- No setup or design fee

*Capture your share
of 2 million hits a month.*

Search Engine Optimization that works! Our sites consistently appear in the top 3 Google search results for “free annual report service” out of 15.3 million results displayed.

*In appreciation of your business,
5 trees will be planted in your name
on behalf of The Public Register
and The Arbor Day Foundation.*

PublicRegisterOnline.com offers investors timely annual report information in an environmentally friendly format.
